DESIGNER COLORS
& TEXTURES

*Although TimberTech AZEK® decking products are cooler to the touch than many other deck products, all decking products will get hot in the sun. Additionally, the darker the decking color, the hotter it will feel. For hotter climates, consider choosing a lighter color.

**Depending on environmental conditions, TimberTech AZEK® Deck colors may appear to change over time as part of the natural weathering process consistent with the warranty guarantees where applicable.
